MISS CATHERINE F. STEARNS

MR. DWIGHT L. MARSEE

The School

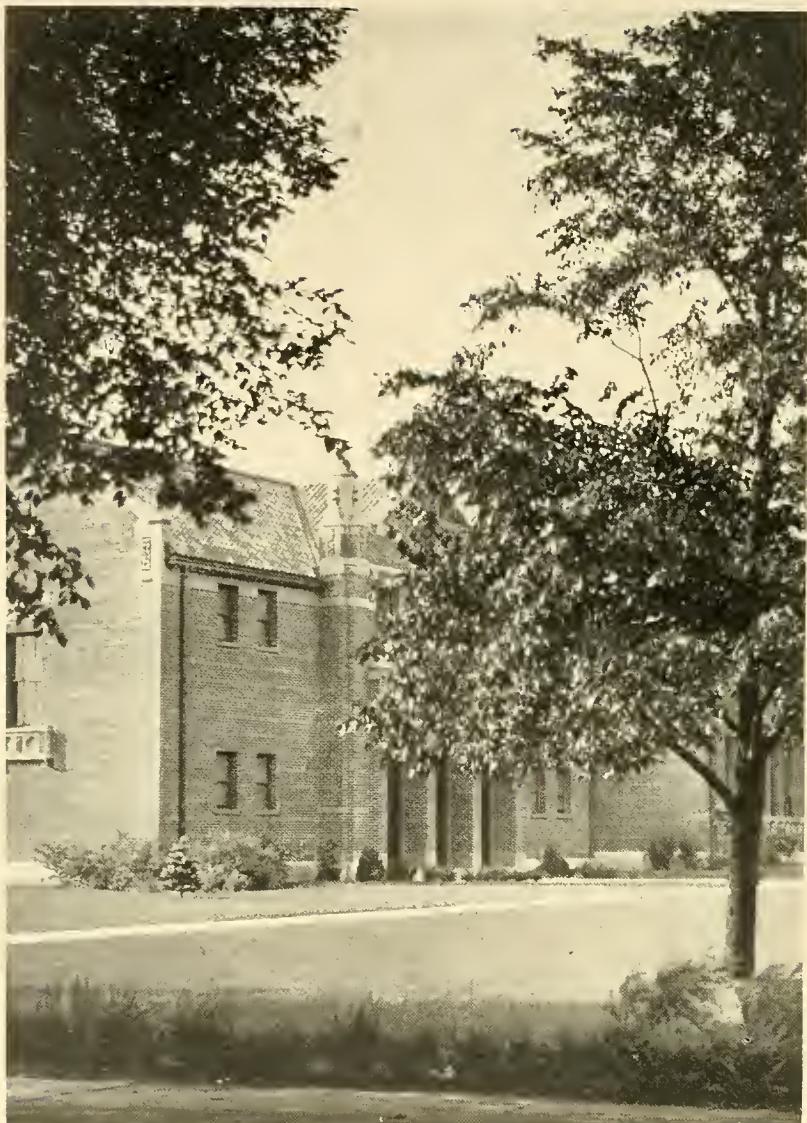

*The doorway to our Alma Mater,
Inviting portals, leads to halls
Where youth all day in knowledge grows.*

*Our School—
A stately tower of knowledge,
The home of many memories dear.*

*While winter's blanket covered all.
'Twas here we strove in play.*

*In through these doors we oft' have gone
To see displayed the talents of our classmates.*

FACULTY

Superintendent Emmons

In 1921 Mr. Emmons came to Mishawaka to assume the position of Superintendent of Schools. In those days the Mishawaka High School, a building which is now known as the Main Junior High School, was crowded with the increasing number of students seeking a high school education. Now, due to the wise leadership of Mr. Emmons, the youth of Mishawaka is privileged to attend one of the largest and best equipped high schools in Indiana.

Other schools have been built and the organization so enlarged and perfected to meet the growing needs of the city that Mishawaka feels justly proud of its school system and its superintendent.

Visitors to our city proclaim our high school to be one of the most beautiful and best equipped school buildings in the United States. We all feel a just pride in promoting and maintaining our school's reputation for beauty and efficiency. But to us who work and study in it the attractiveness of the Mishawaka High School does not consist in its design nor in the harmonious arrangement of bricks and stone. To us it is an institution with a soul—a symbol of helpfulness, of guidance, and of opportunity. It is a guardian and friend of young people during the four most difficult years of their lives. It helps, directs, and points the way to aimless, unsettled boys and girls as they change into independent young men and young women with industrious habits, definite aims, and a finer appreciation of the opportunities and the responsibilities of life.

Four years of association with the best young people in a community, with trained and sympathetic teachers—years of joy, of striving, of achieving; this is the meaning of a real high school. Men and women of high ideals, industrious, helpful, kind—these are its ultimate product.—P. C. Emmons.

Principal Cauble

Mr. Cauble began his duties as principal of Mishawaka High School in 1921, and since that time he has made every effort to give to the students of M. H. S. the advantages that a modern, well equipped, high school should offer. He has facilitated the problem of study for those enthusiastically seeking an education and has encouraged many who would have withdrawn from school, to continue their high school course. His unbiased attitude in judging questions which are certain to arise as the result of his contact with over nine hundred students is a characteristic for which everyone respects, admires, and has confidence in Mr. Cauble.

The high school has been called "the people's college." Although there is an increasing per cent of high school graduates entering institutions of higher learning, a vast majority of them will never, and possibly ought never to do so. It is, therefore, the function of the high school to furnish courses of study and the proper instruction to fulfill the needs of all who enter.

The Mishawaka High School is an institution which furnishes a variety of courses to take care of students of varying capabilities, interests, and aims. It attempts to direct them to the courses for which they are best fitted. It furnishes many extra-curricular activities to train its students to enjoy in a proper manner their leisure time.

Regardless of which course the student pursues, the underlying aim is to develop honest, efficient, and intelligent citizens, fitted to take their places as useful members of society under a free government.

The 1929 *Miskodeed* seeks to symbolize the high aim to which the Mishawaka High School is dedicated. —C. C. Cauble

ARMIN J. AMOS
Commercial

B. S., Indiana University

All of the classes and organizations appreciate the splendid cooperation offered by Mr. Amos in selling tickets for all plays and programs. Of course, this coincides with his commercial work.

ROY A. BROMAN
Mathematics

A. B., Indiana University

Mr. Broman is admired and liked by all of his students for his fairness and open mindedness. He is an active member of the pep committee, which furnishes the school with a variety of pep assemblies during the year.

BEULAH BUCHANAN
Commercial

B. S., Indiana University

Besides her excellent penmanship work, which is known throughout the state, Miss Buchanan has another quality which merits much praise but is not so widely known—her never-failing patience with struggling typists.

FRANK W. CHAPMAN
History

A. B., DePauw University

Mr. Chapman, interested in any and all lines of school activity, has been at M. H. S. for eight years, and we hope he will be here many more. He is famous among the students for his jokes.

JEAN M. CRAVENS
English

*A. A., Stephens College
B. A., Mount Holyoke College*

*University of Missouri
University of Wisconsin*
Miss Cravens is the head of our English department, and by her excellent work and her energetic spirit has proved to be a fine example for many students. Her popularity persists despite minimum essentials.

LESTER C. DAHL
Mathematics

*A. B., Knox College
M. A., Northwestern University*

Mr. Dahl may not seem exceptionally popular with the students at noon while on hall duty, but just ask the seniors their opinion—"a wonderful sponsor to work with and a capable interested advisor."

HERBERT C. DECROES
Vocational
Purdue University

Besides teaching, Mr. DeCroses has made an active organization of the Hi-Y Club; he is interested in all kinds of athletics, and sets a fine example for high school boys to follow.

LORA J. DUGUID
English

A. B., Indiana University

Miss Duguid is so tiny and neat, and so friendly that we all admire her. She is well known throughout the community for the many successful plays she has coached.

FLORENCE ERWIN

Librarian

A. B., DePauw University
Although Miss Erwin has been with us only one year, she has made many friends by her willingness and kindness in explaining the use and purpose of the various sections of the library.

HAROLD GOEPPERT

Vocational

B. S., Purdue University
Mr. Goeppert is not only a master electrician, but he is also a radio builder. This year he won one of the first prizes offered by the Industrial Education Magazine.

MAURINE FINK

A. B., Iowa State Teachers' College

"The lady and the ring." Miss Fink was a wonderful gym teacher, but she left us in the middle of the year—all on account of the ring. We really hated to lose her; she was always so friendly.

GERTRUDE GLOCKNER

English

*A. B., Indiana University
Columbia University*

Miss Glockner has proved to be a great asset to the English department as well as a capable and competent advisor in Camp Fire work. She has made many friends in the two years she has been here.

PHYLLIS HAGGENJOS

Home Economics

*B. S., Lombard College
University of Wisconsin
Chicago University*

Besides being proclaimed a wonderful cook by all who have been fortunate enough to attend her teas, Miss Hagenjos is very well liked by the students, especially the seniors with whom she has worked on committees.

HARRY H. HATCHER

Commercial

A. B., Manchester College

Mr. Hatcher has helped to bring honor to M. H. S. by his unceasing efforts in training bookkeeping teams, but this is not his only interest; he has a wide variety of them including music, art, and athletics.

LEILA B. HEIMBACH

English

A. B., Oberlin College

Miss Heimbach is always willing and ready to help in any project. She is faculty advisor of the "Alltold," active in Camp Fire, and this year she has added to her responsibilities by instituting a chapter of Quill and Scroll.

NELL HUMKE

Art

*Manchester College
Chicago Art Institute
John Herron Art Institute*

With her ever ready smile Miss Humke has won a place in the hearts of all, especially the students of art in whom she takes a great interest and with whom she is constantly working.

HELEN LITCHFIELD KOLB

Music

A. B., Indiana University

Miss Kolb has made our music department famous by presenting excellent orchestra and glee club programs and three delightful operas. Besides this she is characterized by her peppy speeches and her clever way of presenting them.

RUTH E. LITTLE

History

A. B., Indiana University

Miss Little has a high standard of work for her classes, but in this she takes the initiative by setting a fine example of a conscientious worker. We have heard that she won't be with us next year, and we shall be sorry to have her leave.

DWIGHT L. MARSEE

Printing

B. S., Indiana University

Mr. Marsee is one of the best liked teachers in this system because of his willingness to cooperate and help in all activities. The Miskodeed Staff feels especially fortunate to have him as an advisor.

WILLIAM J. MIDDLETON

Vocational

Purdue University

Columbia University

Mr. Middleton holds the responsible position of vocational director and, as such, has charge of night school classes. To him also is due the credit for the splendid industrial exhibitions held each year.

MARGARET C. MOIST

Mathematics

A. B., Indiana University

Breadloaf School of English

Miss Moist is famous for her speeches which are filled with pep, humor, and personality, but her chief interests in extra-curricular work center on dramatics and athletics; she takes a very active part in both.

CLARENCE NEEDLER

Vocational

Indiana State Normal,

Terre Haute

Ball Teacher's College,

Muncie

Mr. Needler is one of the sponsors of the Engineering Club and is interested in all sorts of shop work, especially machine shop. We all admire his curly hair and cheerful smile.

PERLE MARIE PARVIS

Commercial

Gregg School of Chicago

Indiana University

Commercial work is Miss Parvis's specialty. She is noted for having winning teams in both typing and shorthand, and she is not only interested but also an active booster of all the activities of the school.

LOLA JANE ROSENBERGER

French

A. B., Indiana University

Miss Rosenberger seems to be a person of many talents, for besides teaching French she coached two excellent plays, planned a trip to Europe, and still had time for Camp Fire—all in one year.

JENNIE E. SASSE
Home Economics
B. S., University of Minnesota

Under the splendid direction of Miss Sasse the Home Economics Club has become one of the largest, most active, and instructive organizations of the school.

SHELBY S. SHAKE
Vocational
Indiana State Normal,
Terre Haute

Meanwell Coaching School.

Mr. Shake is a man who not only knows basket ball, but is also a strategist, a hard worker, and the coach of a team which went to the "State" two years ago. He is deserving of much of the praise given M. H. S. for her athletic achievements.

GLENN L. SMITH
History
A. B., DePauw University
Stanford University
Indiana University

Mr. Smith has traveled extensively and has had many experiences which prove to be very interesting as well as educational to his history and social science classes. Probably his chief hobby is the navy.

THELMA SNYDER
Home Economics
B. S., Indiana University

We are glad to have had Miss Snyder with us as a full time teacher this year. She has made the courses in Home Nursing and Home Management very interesting and has stimulated interest in this line.

EVERETT S. SPRAGUE
Vocational
B. S., Indiana State Normal,
Terre Haute
Marion College

Mr. Sprague is also famous for having won, this year, a first prize offered by the "Industrial Education Magazine". His services are greatly appreciated by all of the classes and organizations that give plays, for he is responsible for the ushers.

CATHERINE F. STEARNS
English
A. B., University of Wisconsin

Miss Stearns is another who has many interests other than teaching. She is faculty advisor of the Miskodeed, Camp Fire executive of the city, and active in clubs and organizations outside of school. Her services were invaluable to the 1929 Miskodeed.

MR. STEELE
Battle Creek College of Physical Education

If ever a man were loved by high school students, Coach Steele is. Not only the students but the public have confidence in his ability to produce winning teams.

SIBYL STONECIPHER
Latin
A. B., Indiana University
M. A., University of Illinois

Besides setting a fine example of good sportsmanship, Miss Stonecipher is one of our most interesting teachers because of her many experiences and travels. She teaches Latin and makes it interesting, which is an accomplishment, we think.

LORRAINE ULRAY
Science
A. B., Manchester College
Indiana University

Most students wouldn't mind classes so much if they could have a teacher like Miss Ulery, canary birds singing during class, and flowers on the laboratory table. Almost too idealistic for school, we think.

DARL F. WOOD
Science
A. B., Indiana University

Under the supervision of Mr. Wood the band has developed considerably this year, with an increase in enrollment and the addition of several new instruments. He also has a hobby—"monkeying" with the new radio.

ZOE WYLAND
Latin
Ph. B., University of Chicago

Miss Wyland's interests center chiefly in Latin and the editing of the *Mercurius*, the Latin publication, of which she is faculty advisor; however, we understand, that after school hours she has interests in the business world.

IDA L. BETTS
Financial Secretary to School Board

Miss Betts guards the inner portals of the Board of Education. She is a most efficient and competent secretary, with whom we could not easily dispense.

MARGARET DENTON
Secretary to Mr. Cauble
As Mr. Cauble's secretary Miss Denton has been a valuable part of M. H. S. for some time, and she is very well liked by the students. Her position requires dignity and responsibility coupled with friendliness and tact—she has all of these.

AUDREY MILLIKEN
High School Book Shop
Miss Milliken is that petite young lady who manages the book shop and helps in Miss Betts's office. She has many friends among the students, and is especially popular with those who enjoy riding in the new Fords.

It was four short years ago when we, the class of 1929, made our formal debut into high school and began our climb toward Mount Learning.

As freshmen we were much the same as any others, without organization or purpose; but our second year started with sophomore enthusiasm. Walter Eberhart, whom we chose as our class president, proved to be a capable guide.

That was a fine year; we had our first real party; we were interclass basketball champions; and with much pep and enthusiasm we successfully displayed our dramatic ability in three one-act plays.

The next year we selected Jack Klaer for our leader. Besides a very successful Football Hop we presented an entertaining three-act play, and then came the last and the most striking event of our high school career thus far, the Prom.

Now we are seniors. We have attained the heights toward which we have been striving for four years. Lucille Philion is guiding us through our last year of high school, and as we finish, we trust that this book, the final achievement of our senior year, will bring back to us today and in the years to come these high school days and high school chums—our memories forever.

As freshmen, the year was very uneventful for the members of the class of 1930, for they were much too dazed by their surroundings to participate in school affairs.

By the time they became sophomores, however, they were allowed to organize and chose Joe Brady as their president. The principal event of the year was the presentation of three one-act plays, "You", "The Fiddler", and "Not Quite Such a Goose". This was enough to make the class proud, but not content with that the boys' interclass basketball team won the tourney and the girls carried off the hockey honors.

Distinguished in lines other than dramatic and athletic, the class has made a record in the academic field as well. This year the second prize in the essay contest on "Why Should I Vote?" was taken by a junior, Mary Weber.

The class proved its dramatic ability again with the presentation of the annual junior class play. This year's activities culminated in the Junior Prom, the annual event at which the senior class is feted by the juniors.

The class of '31 is not an ordinary class. Even as freshmen they were not ordinary. Upon their arrival in M. H. S. it was immediately made evident to the faculty and to upper classmen that this group of young men and women were people of diverse talents.

Many of this group are members of the Honorary Scholastic Society which is undisputed proof that they are students who are taking advantage of the opportunities offered in Mishawaka High School.

But do not think that the class of '31 is a group of bookworms—far from it. They are well represented in football, basketball and track. Nor is social life neglected by them. An unusually successful Hallowe'en party was given by the sophomores for the entire school.

The class has its share of dramatic talent too. "Penrod", a four-act play was successfully given on March 6 and 7. The dramatization of Booth Tarkington's book was especially well received by the two large audiences and everyone is anxiously waiting for the next presentation to be sponsored by the class. The sophomores give promise of being one of the great classes to be graduated from Mishawaka High School.

FOOTBALL

COACH STEELE

Coach Steele came to Mishawaka in the fall of 1923 from Chanute, Kansas. However, he did not take up his duties as football coach until 1924. Since that time he has developed some of the strongest football elevens which have represented M. H. S. on the gridiron. "Coach" is well liked by his men, and it is to him that the boys turn for encouragement, advice, friendship, as well as for sympathy and understanding. Beside being an excellent football coach, Coach Steele is athletic director of the Mishawaka schools.

COACH HEFFNER

This was Coach Edward Heffner's first year in Mishawaka. He was graduated from the State Normal at Muncie, where he received a degree in physical education, and attended coaching schools at the University of Indiana, the University of Illinois, and Notre Dame.

Before coming here Coach Heffner was basket ball and track coach at Lebanon, Indiana, as well as assistant football coach. "Pop's" personality has made him popular with the boys of the team. He knows football and his work with the line has been a great aid to Coach Steele.

The Season

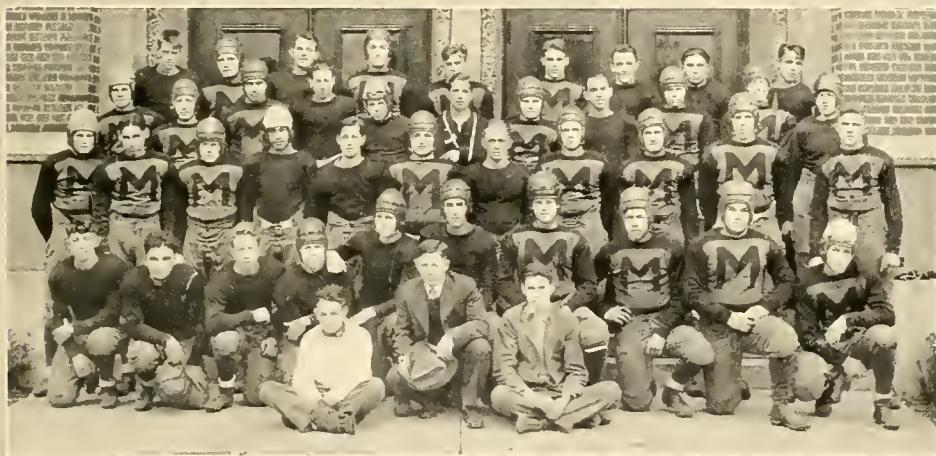

The Mishawaka High School gridders had a fairly good season in 1928. They started the schedule by decisively defeating Garret. However, this victory did not prove the strength of the Cavemen, since the Garret team was exceedingly weak. The Maroons dropped the next pair of games at the hands of two Gary schools, Horace Mann and Emerson. In the next tilt the Mishawakans were more successful, defeating Goshen. The following Saturday the team showed a decided reversal of form and was trampled on by Elkhart. That was the first grid game lost to Elkhart in five years. In the last three games the Cavemen turned in two wins at the expense of Columbia City and Muncie and they tied South Bend. In the final engagement Mishawaka met South Bend on Cartier field, Notre Dame. The Bears received a lot of pre-game praise and were favored to win over the Mishawaka outfit by a large score, but the Maroons surprised everyone by employing a brand of ball that they had not used in the entire season. In the opening quarter South Bend scored a touchdown and was successful in the attempt to kick goal. The score remained 7-0 until the third quarter. In this period an inspired group of eleven Mishawaka players succeeded in forcing the ball down 75 yards of the field to a touchdown. Captain Horstman took the ball across the goal line for the extra point.

Despite the green material the season was not at all bad and the team was one of which the school should be proud.

CAPTAIN ROY HORSTMANN

A main cog in our football machine for three years. Roy had a powerful drive and was invaluable on defense.

TOP ROW—Wilbur Barrett, Raymond Newcomer, Albert Lattimer, Robert Riley, Edward Harris, John Kronewitter, Spencer Walton, Dale Zimmer, Russell Kyle.
FOURTH ROW—Francis Claycomb, Ronald Kronewitter, Roy Horstmann, Valentino Dicerto, Raymond Kronewitter, James Christianson, Frank Poorman, Thomas Snyder, Ivan Albright, Virgil Chandonia, Clifford Parmley.
THIRD ROW—Orval Nappier, Harold Horstmann, Stanley Rensberger, John Nicolini, Olen Freeze, Peter O'Brettinoff, Ira Schmeltz, Edward Carpenter, Vernon Valentine, Howard Snyder, Jack Klaer.
SECOND ROW—John Harrington, Joe Adelott, Albert Clark, Trell Hoppes, John Baluss, Lawrence Boehlein, Milton Walton, Charles Conway, Franklin Kyle, Gerald Tobey.
BOTTOM ROW—Clark Hiler, Coach Steele, Gral Smith.

JOHN BALUSS—*Left*—John has been a scrapper for three years. However, it was not until this year that he really proved his worth. He was a good consistent guard and one of the best reasons for Mishawaka's victory over Muncie.

IVAN ALBRIGHT—*Center*—Although only a sophomore, Ivan was one of Coach Steele's most valuable backfield men. Albright really hit that line and hit it hard. We expect to hear a lot about this boy.

CAPTAIN-ELECT CHARLES CONWAY—*Right*—Conway has been a valuable guard on Mishawaka elevens for two years. He gave every man who played against him plenty to worry about. "Chuck" should prove a capable leader for next year's team.

JACK KLAER—*Left*—Jack was a fast reserve man that could be counted on. He was an accurate passer and a shifty runner. He, too, is a senior.

RONALD KRONEWITTER—*Center*—“Ron” was one of the best wingmen Coach Steele had. He deserves a double amount of credit since this was his first year on the gridiron. He was a cool passer and had a toe that gave M. H. S. many extra points.

RAY KRONEWITTER—*Right*—Ray is another end who was right there all season. He crashed, blocked, and tackled hard for old M. H. S. He has two more years to play.

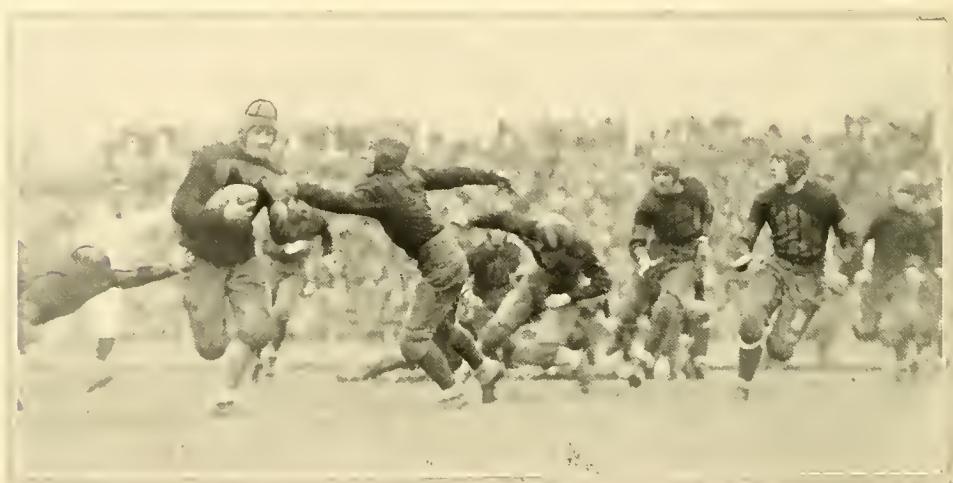

JOHN KRONEWITTER—*Left*—A right wingman who played a great game, to be remembered especially for his work at South Bend, two years ago when Dentino was hurt. John is a junior.

FRANKLYN KYLE—*Center*—Kyle played a consistent game at tackle all year. He is another veteran who will be back next year.

ORVEL NAPPIER—*Right*—One of the few freshmen in the history of M. H. S. to make the Varsity. He was a hard tackler and blocker and a fast runner. Good luck to you, Orvel.

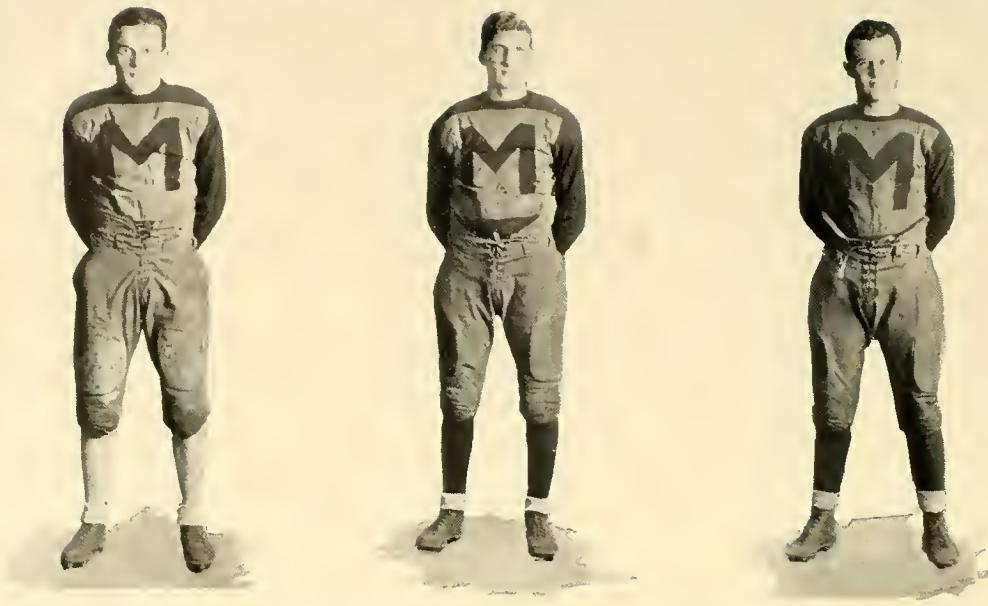

RAYMOND NEWCOMER—*Left*—A regular center all season, "Ray" was a hard worker who played a good game even while suffering from a bad "charley-horse".

PETE O'BRETINOFF—*Center*—In his junior year Pete came to us from our deadly rival, South Bend. He played well at both the guard and tackle positions. Pete was a valuable man who will be lost by graduation.

FRANK POORMAN—*Right*—Poorman was a shifty quarter who directed the team in the style of a real general. Frank is also a senior.

STANLEY RENSBERGER—"Scrappy" was always a real fighter. As quarterback he led the team in a meritable fashion. His generalship at South Bend was worthy of much praise.

VERNON VALENTINE—"Vern" will be with the squad another year. He can always be depended on for yardage in a crisis, and is a valuable man.

MILTON WALTON—*Right*—"Milt" was the big guard who had the reputation of drinking two quarts of milk a day. The beverage didn't seem to hurt him for he played a good brand of ball—especially at South Bend. This was his last year.

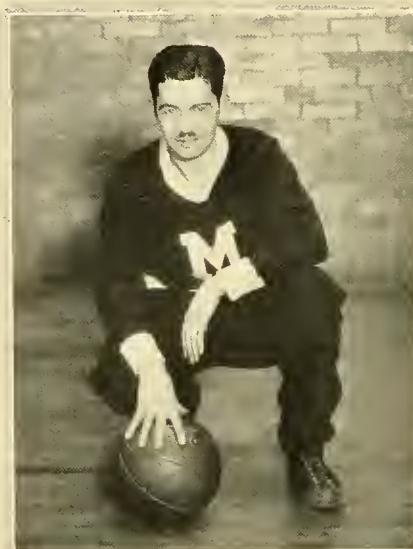

BASKETBALL

COACH SHAKE

When one speaks of first class high school basket ball coaches Shelby S. Shake's name is always mentioned. The termination of the 1929 basket ball season marked the ending of Coach Shake's fifth year at Mishawaka High school as basket ball coach. To win the sectional tournament is goal he annually looks forward to attaining. Coach Shake not only dreams of winning tourneys, he wins them. In the last five years Mishawaka has won three sectional tournaments and one regional. Mr. Shake will not have charge of the team next year. His successor will be Edward Heifner, head baseball coach this year.

COACH CHEZEM

C. C. Chezem came to Mishawaka from Walkerton, Indiana, where he was head basket ball coach for two years. During the last basket ball season, he had charge of the Shakers who gave the varsity some real practice workouts. Mr. Chezem has a pleasing personality, understands basket ball and is popular with the boys. Coach Shake has found him to be an able assistant.

For the Cavemen the 1929 basket ball season was one of the most unsuccessful in the history of the school. Lack of experience, only two of the men having been members of last year's varsity, coupled with the loss of Hintz and Ronald Kronewitter, early in the season, as a result of injuries, gave the Maroons a poor start. Of the eighteen teams played only two, Elkhart and Michigan City were defeated, although several of the contests were lost by only a few points. Had the students given the team the support that former Mishawaka quintets have received, victories in the last part might have been more numerous; however, despite the inglorious season M. H. S. is proud of the way in which the 1929 basket ball squad fought for the school and for the splendid sportsmanship displayed at all times by the members of the team.

CAPTAIN LEE RITCHIEY

Ritchey jumped center and then dropped back to guard. He was a good leader and although the team was not a winning one, he kept up the fighting spirit characteristic of M. H. S.

TOP ROW—Coach Shake, Charles Conway, Edward Carpenter, Ivan Albright, Manager Clark Hiler.

BOTTOM ROW—Harold Horstmann, Ronald Kronewitter, Lee Ritchey, Roy Horstmann, Raymond Ritchey.

IVAN ALBRIGHT—This was Ivan's first year on the varsity. He still has two more to play and shows much promise of being a valuable man.

CHARLES CONWAY—A player who could be shifted from one position to another was Chuck. However, his regular berth was at guard, where he performed well.

MILTON HINTZ—"Jiggs" was extremely unfortunate in having been hurt in the first game of the year. He was unable to play for the remainder of the season; however his worth has already been proved.

RON KROEWITTER—This was Ron's first year out, and he had no difficulty in making the varsity. He is a senior. Too bad he didn't play as an underclassman; Mishawaka could have used him.

Roy Horstmann—Roy was invaluable on defense and worked well in scoring plays. He is another senior.

HAROLD HORSTMANN—"Bucky" developed as the season progressed. He was one of Coach Shake's best forwards.

ALBERT LATTIMER—Lattimer, a big, rangy center who didn't develop until the end of the season, should be valuable material next year.

ORVEL NAPPIER—A freshman who made the varsity. He was placed on the team near the close of the season.

JOHN NICOLINI—"This" is another freshman. He's a hard worker and with that spirit is certain to make good.

RAY RITCHIE—Ray is a fast forward who has two more years. He has improved a lot this season.

GERALD TOBEY—Tobey is a good guard. He surprised everyone by holding down "Bunk" Williams at Goshen.

The Sectional Tournament

Coach Earl Kuhny's South Bend Bears proved that they deserved much of the pre-tournament praise extended them by fighting their way to victory over four quintets to carry off the Mishawaka sectional tournament championship Friday and Saturday, March 1 and 2.

The Orange and Blue won their first victory over Madison Township in the second session of the tournament Friday afternoon. The latter did not offer much competition for the Kuhnymen. The game turned out to be goal practice for the Bears, who romped over their opponents 47-10.

The next Bear victim was a fighting, Shake-coached, Maroon basket ball team. Mishawaka surprised everyone by her splendid performance against South Bend, who had been much more successful than the Maroons during the season. This combination was the strongest barrier in the South Bend path. In fact, the Mishawaka team was leading 5 to 2 at the half, only to have victory snatched from them in the second period 12 to 10. Paul Martin, clever forward, sank the winning goal from near mid-court with four minutes remaining to be played. South Bend succeeded in keeping this slender advantage until the gun, by four minutes of stalling.

The tourney's final clash found Bremen versus South Bend. Although Bremen High had a hard fighting group of boys to represent it, the versatility of South Bend was too much for them. The unusual team work employed by the Bears, coupled with vitality and enthusiasm, gave them the tourney crown they well deserved. The final score was South Bend 30, Bremen 15.

The tourney was fascinating from beginning to end. The melodious voices of program and candy salesmen, harmonized effectively with the shrill whistle of the referee and the loud cheers of loyal rooters to give the gym a real "tournament atmosphere."

Second Team

Organized five years ago by Mr. Shake, the second team has proved a wonderful means of developing varsity material. The team is made up of freshmen and sophomores only, thus giving new material a chance to become seasoned through inter-school competition.

Coached by Mr. Shake, who was ably assisted by Mr. Chezem, the second team displayed a high type of basket ball. A schedule of 18 games was played, the team winning 7 and losing 11. The schedule included Plymouth, Michigan City, South Bend, Elkhart, Horace Mann, and Goshen, some of the best reserve teams in Northern Indiana. All of the games were hard fought and many were lost only by a few points.

The team was weakened considerably by losing some of its men who were advanced to the varsity, but despite these losses, some real class in basket ball was shown and the experience will prove of value to the men who will be the future varsity.

At the county tournament at Walkerton, the team was eliminated by South Bend. Later in the season, however, by accurate shooting and remarkable team work they overwhelmed the Cubs.

Interclass League Champions

Interclass champions during their sophomore year in high school, and interclass champions for the season of 1928 was the record set by the senior class basket ball team. Lead by Captain Keiser during their second year, the blue and gold quintet succeeded in snatching away the tournament championship from the highly touted senior squad after the latter had defeated the juniors in the semi-finals of the tournament.

During the junior year the team found some difficult competition with the Sophomores and Seniors offering the opposition, and was unable to come through with a championship as in the previous year. The senior year found the team possessing a strong combination which enabled them to win the interclass championship. During the league season, the team was undefeated and finished at the top of the standing, after having defeated their rivals, the Juniors, in one of the hardest battles of the season.

The interclass tournament did not prove to be a fortunate one for the Seniors, who were defeated by the Sophomore I quintet in the finals. This marked the first defeat of the year for the champions. The Seniors were led during the 1928 season by Jack Klaer, whom they had selected as their captain.

TOP Row—Frank Hornung, Robert Elliott, Frank Poorman, William Klein, Carl Meyerhoefer.
BOTTOM Row—Stanley Rosenstein, Ray Dentino, Jack Klaer, Harry Snyder, Walter Eberhardt.

Interclass Tournament Champions

For the third successive year the annual interclass basketball tourney was won by a five representing the sophomore class. This year the Sophomore I quintet proved to be the cream of the intramural competition.

Both the Sophomore I and II aggregations flashed a superior style of ball to eliminate their "big brothers" in the upper classes. The second year men really had the "class" to win their games.

In the second round games the Soph II team took the measure of the strong Junior five by an 18-13 score. An all-soph final game was assured when the Sophomore I's emerged victorious over the Seniors 15-9.

The championship contest between the two sophomore teams was played before a sizeable crowd of spectators. It was a close-fought game throughout with the score ever in doubt. Finally the Soph I team, led by George Dentino and Karl Sawyers, pulled away to a narrow two-point margin, which they held until the last. The final score was 19-17.

SPRING SPORTS

Baseball

Captain Roy Dentino

After a lapse of five seasons Mishawaka last year revived baseball as a major sport. Mr. Steele was in charge and was fortunate in having some good material with which to work. The Maroons won the championship of the eastern division of the N. I. H. S. C. loop, East Chicago, the 1928 championship team of the western division, defeated Mishawaka in the final game.

Coaching of this year's team has been ably done by Mr. Heifner. Mishawaka has played five games to date. The first game with LaPorte was called at the end of the fifth inning because of rain. The score at that time was ten to nine in favor of LaPorte. The Cavemen took the next two contests at the expense of Plymouth and Goshen, but fell before the Nappanee and Michigan City nines in the last two games. Ron Kronewitter did the best work for M. H. S. on the mound while Joe Brady was the best catcher Coach Heifner had. The season schedule is as follows:

Mishawaka, 9; LaPorte, 10

Mishawaka, 9; Plymouth, 4

Mishawaka, 1; Michigan City, 5

Mishawaka, 11; Goshen, 8

Mishawaka, 3; Nappanee, 4

Another game with each of the above teams will be played to complete the season schedule.

TOP Row—Robert Cook, Stanley Rogers, Warren Voorhees, Clifford Parmley, Eddie Smith, Ray Ritchey, Harold Groh, Coach Heifner.

SECOND Row—Roy Van de Walle, Charles Conway, George Dentino, Gerald Tobey, Joseph Kugmonoritch, John Housard.

BOTTOM Row—Ray Dentino, Ron Kronewitter, Joe Brady, Harry Snyder, Vincent Morascki.

Track

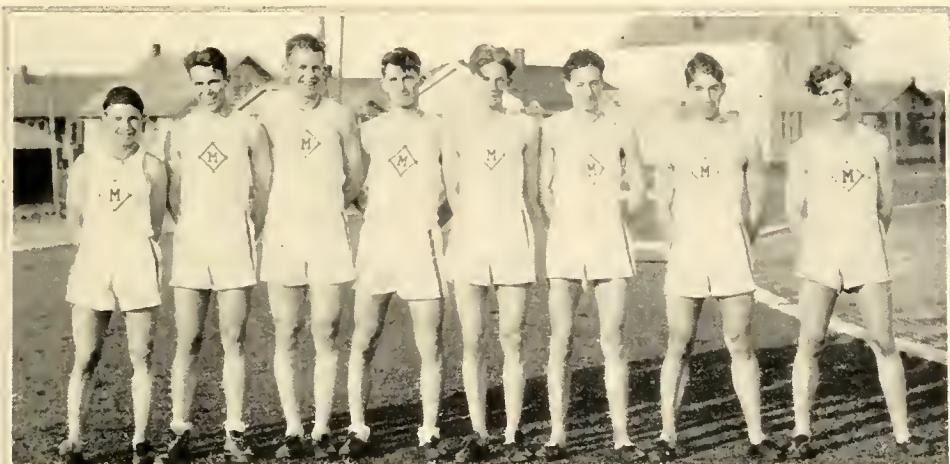

The 1929 track team is perhaps the best balanced one ever representing M. H. S. on the cinder track. That is to say, there is a better chance of winning in all events than there has been in former years.

Mr. Steele is head track coach although Assistant Coach Burgess deserves much credit for the team's development, having coached the men untiringly on fundamentals every night after school. He took virtually full charge of the team while Steele was busy with spring football.

William Klein, Roy Horstmann, Tony Delio, Danny Tamberino, George Rodgers, Charles Lockridge.

Horstmann has been an excellent track man. Klein, a senior who made the team for the first time this year, is a valuable quarter-miler who should do well before the schedule is completed. Poorman is the best high and broad jumper on the squad. Delio and Lockridge are half-milers who have proved their worth. Bill Miller, an under-classman, is the outstanding hurdler.

Frank Poorman, John Kronewitter, Albert Lattimer, Raymond Newcomer, Thomas Mallory, Valentino Dicerto, William Miller, Vernon Valentine.

Track

The Maroon thinlies have been successful in two of the three meets in which they have thus far participated. On April 12 they defeated Goshen in a dual meet at Goshen 66 to 33. In a triangular meet at LaPorte on April 19 the Mishawakans scored 37 points while Michigan City and LaPorte collected 36 and 28 respectively.

Mishawaka met her first defeat at South Bend when the latter defeated the Cavemen in their third meet of the season 75 to 24.

Tennis

The popular international sport of tennis was carried on with real determination and vigor by the Maroon and White tennis team this season. The squad was helped considerably by the new cement court which enabled the men to schedule practice earlier than in previous years.

The team was composed entirely of veterans who played in 1928 and included the following members: Captain Robert Elliott, William Waidner, Rolland Dutenhaver, Walter Eberhardt, Karl Sawyers, and Richard Hetherington. With only two men being graduated prospects look the sophomores, juniors, and seniors were tied for first honors, but after the number of points

Eight meets including South Bend, Elkhart, Goshen, and Howe Military Academy were scheduled and the team played a consistant type of game, furnishing their opponents a lot of lively competition.

GIRLS' ATHLETICS

Volley Ball

Volley ball has become one of the principal sports of the girl athletes in Mishawaka High School. The girls came out in large numbers at the call for candidates for the interclass teams, which were captained by Evelyn Hixon, senior; Erma Dentino, junior; Martha Aulenbach, sophomore; Ruth Deardoff, freshman.

Volley ball demands individual alertness in returning the ball over the net, and the serving, which is one of the most important departments of the game, requires a special type of skill that cannot be acquired without much practice.

The competition among the classes was unusually keen this year; however the juniors finally defeated the seniors 42-41 in the last game of the season, which was played to determine the championship, as at the end of the scheduled season the teams were tied for first place.

Hockey

More interest in hockey was shown this year than ever before in the history of girls' athletics in M. H. S. The initial turn-out of fifty players was a clear indication of the girls' unbounded enthusiasm for the game.

Hockey does not require mediocre skill and endurance but rather demands quick thinking, coordinated team work and every ounce of energy the player can give.

The girls, who were organized into interclass teams, elected the following captains: Evelyn Hixon, seniors; Lucille Nehmer, junior; Hope Ellsasser, sophomore; Veda Partridge, freshman.

Handicapped by an uneven stoney field, covered with sand burrs, the teams were compelled to abandon their tournament schedule after five practice games. The field next year, however, will be one of the smoothest, finest fields in Northern Indiana. On the new field the girls will be able to show their skill to advantage.

TOP Row—Doris Eberhardt, Miss Talbot, Vera Jewell.

BOTTOM Row—Mary Fogaras, Lucille Nehmer, Erma Dentino, Mildred Poorman, Meriam Besinger.

Basketball

INTERCLASS TOURNAMENT

The girls' interclass basket ball was played off with unusual pep and vigor this year. In answer to the call for candidates about seventy-five turned out. The girls displayed very good team work and were able to hit the hoop consistently from all angles.

The interclass tournament games were hard-fought throughout. At the end of the season the sophomores, juniors and seniors were tied for first honors, but after the number of points won by each squad had been calculated, the juniors, with Erma Dentino as captain, finally were awarded first place.

COLOR TOURNAMENT

Every color in the rainbow: red, purple, yellow, green, blue, flashed in a bewildering, chaotic mass of colors when for the third consecutive year the girls' color tournament was held in M. H. S. This tournament gives all the girls, members of the interclass teams as well as those who have failed to earn positions on the class squads, a chance to play the game. The *Yellows* finally took the championship. Erma Dentino was their captain.

TOP ROW—Sarajane Fuson, Meriam Besinger, Lucille Myers, Dorothy Duckworth, Catherine Longfellow, Mary Agnes Christianson, Veda Partridge, Ruth Deardoff, Mary Fogaras, Erma Dentino, Vera Jewell, Doris Eberhardt, Lucille Nehmer, Miss Talbott, Iva Albright.

Baseball

The seventy-five aspirants who came out for baseball devoted the first few weeks of April to enthusiastic practice for the girls' interclass tournament. On May 29 the Freshmen and Sophomore nines met in the first game of the season, while the Juniors and Seniors clashed on May 1. The Championship game was scheduled for May 6, too late for results to be recorded in the *Miskodeed*.

The girls showed the usual pep and each squad promised to give the opponents some keen competition. The Juniors and Seniors appeared to have the strongest teams.

Wilma Kreutz, Vesper Weber, Rita Bless, Iva Albright, Evelyn Hixon, Mildred Albright.

Track and Tennis

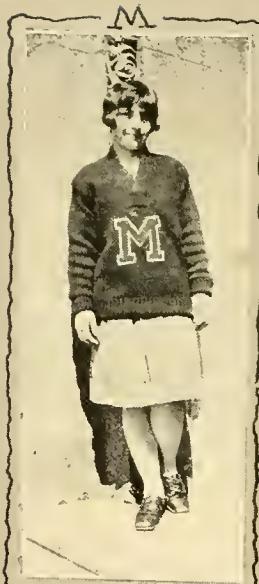

Among the events participated in by the girls' track teams were the 100 yard dash, hurdles, high jump, and broad jump. An interclass meet is being planned and the girls are working hard to be in condition to break previous records.

The girls' tennis team was again organized this year because of the great amount of interest shown for the game. With several members from last year's team ready for action, the girls were unusually strong. They practiced their serving until, at the middle of the season, they were able to place the balls in the corner and hit the base lines consistently.

Tennis is the only sport in which the girls meet other schools. Games with South Bend, Elkhart, and Buchanan were scheduled this year. The members of the team included Mariette Graves, Marygrace Ball, Lucille Philon, Elizabeth Garns, Pauline Rupe, Doris Eberhardt, and Evelyn Hixon.

The Board of Control was organized to bring about a hearty cooperation between students and faculty, the Athletic Association, the different departments, clubs, and organizations of the high school; to cultivate in both teachers and students, a school spirit of loyalty and interest; and to create a system of management which will be for the best interest of the school.

The control board of finance is the position held by the Board of Control. Finances of all the organizations are entrusted to it; however, any organization may draw upon its funds whenever it is necessary. Because the Athletic Association has an exceptionally large income, the Board of Control has arranged that 1½ per cent of the net receipts of all home games at which the band plays should be allotted to the Band, and that 5% of the gross receipts of all home games should form a miscellaneous fund. Money from this miscellaneous fund has provided for some interesting assembly programs which were presented in the auditorium every second Wednesday during the year.

Members of the board are representatives from the three upper classes, representatives from every organization that has financial standing, and faculty representatives. Meetings are held the first Monday of each month immediately after the school.

One of the highest honors that can be earned by a student of Mishawaka High School is membership in the Honorary Scholastic Society. This distinction is conferred upon those students who maintain a scholastic average which places them in the upper five per cent of the senior, junior, or sophomore class. The sophomores and junior B's are associate members and wear bronze pins instead of the silver ones worn by the junior A's and seniors. The associate members have all the privileges of members except those of voting and holding office.

The society was organized for the purpose of raising the standard of scholarship in Mishawaka High School and promoting a friendly relationship among those pupils interested in educational advancement.

At the monthly meetings, the members were entertained by speakers, musical recitals, readings, or debates. The last meeting of the year was in the form of a picnic. The club had charge of the checking system at basketball games and sponsored a moving picture at one of the local theatres.

More honors have been heaped upon Mishawaka High School this year by their being granted a charter for a local chapter of the National Honor Society. This was obtained partly through the never ending desire of Mr. Chapman to promote good scholarship and the interest of members of the local Honorary Scholastic Society.

Scholarship, however, is not the only requirement for membership. One must also have excellence in leadership, service, and character.

The members are composed of fifteen percent of the seniors, and five percent of the junior A's, all of whom must be in the upper fourth of their respective class.

They are elected by a faculty committee composed of Mr. Cauble, Mr. Broman, Miss Buchanan, Miss Cravens, Mr. Chapman, and Mr. Wood.

Because of the delays caused by necessary formalities in obtaining a charter, the local society was not organized until the latter part of April, at which time officers were elected and plans were made for the future of the club.

Quill and Scroll is the national honorary society for high school journalists. It was organized at Iowa City, April 10, 1926, for the purpose of encouraging and rewarding individual achievement in journalism and in allied creative work.

There are about three hundred chapters, and these are located in nearly every state in the Union and represent most of the high schools in the country which are outstanding in the quality of their journalistic work.

Members of the Quill and Scroll must be chosen from high school students who at the time of their election meet the following requirements:

- 1—They must be at least of junior standing.
- 2—They must be in the upper one-third of their class in general scholastic standing.
- 3—They must have done superior work in some phase of journalistic work.
- 4—They must be recommended by the supervisor.
- 5—They must be approved by the national secretary.

The Mishawaka chapter was organized in February, 1929, by Miss Heimbach, instructor in journalism and supervisor of the Alltold, who felt the need for such an organization.

As it is a distinct honor to belong to this society, the members are to be congratulated on their achievement.

With a membership of more than thirty boys, the Hi-Y club completed what is probably the most successful year of its existence in M. H. S.

Continuing the example set last year, the club, in conjunction with the South Bend Hi-Y, banqueted the members of the South Bend and Mishawaka football elevens at the Y.M.C.A. Previous to the game, the two clubs exchanged speakers which appeared before the student bodies of both schools. The purpose of these programs was to foster a better feeling between the traditional rivals. The organization also sponsored a pep assembly shortly before the sectional basketball tourney.

Discussion meetings were held monthly at which time topics in relation to the principles of the club were debated in round-table style. The club sent five member delegates and their sponsor to the State Older Boys' Conference at Muncie.

The Engineering Club, organized in 1921 by Mr. Kable, Mr. Sprague, and Mr. Shank, is perhaps the most outstanding high school organization for boys. Any boy who is taking a vocational or industrial subject is eligible for membership in the club.

Two principles of the club are to promote interest in technical and mechanical knowledge and to provide a method for getting in touch with practical affairs of the world.

The purpose of the club is to promote interest in various trades and industries, and aid students in selecting occupations for which they are fitted.

The most important feature on the Engineering Club program is the annual visit to Purdue University. There the boys go through the buildings on the campus and learn the characteristics of the various courses which the university offers.

The members of the Girls' Athletic League are primarily interested in sports and engage in every variety of athletics including hockey, basket ball, track, baseball, and swimming. Numerals, M's, and sweaters are received by girls who have earned a sufficient number of points to merit the awards. This year numerals were awarded to: Martha Aulenbach, Mary Jane Bless, Mary Agnes Christianson, Dorothy Denton, Hope Ellsasser, Mary Fogaras, Vera Jewell, Wilma Kreutz, and Lucille Nehmer.

M's were awarded to Martha Aulenbach, Mabel Caskey, Erma Dentino, Rita Bless, Evelyn Hixon, Mildred Poorman.

Sweaters were earned by Trma Dentino, Mildred Poorman, Iva Albright, Evelyn Hixon, and Mabel Caskey.

The club meets on every other Monday during the consultation period and this year has been fortunate in securing some interesting speakers who talked on subjects pertaining to girls' athletics.

Hikes, swimming at the South Bend Natatorium, a farewell party for Miss Fink, who left M. H. S. at the end of the first semester, and finally the Robin Hood pageant presented in Merrifield Park represent the outstanding activities of the organization this year. To Miss Talbot, who directed the pageant, credit is due for the splendid success of the performance.

The Commercial Contest

For the second year in succession, the Mishawaka High school commercial department has won the Governor's cup, the highest award in the State. If the teams can win it in 1930-31, it will become their permanent possession.

The outstanding team in the 1928-29 State Commercial Contest was the Advanced Shorthand, in which Ruth Nehmer and Marie Barnhouse tied with one error each, taking second and third place honors in the State, while the third member of the team, Catherine Kreps, had but two errors. They set a new accuracy record with their 4-error total, eclipsing all former state records.

Elizabeth Dentino, our champion typist, upheld her fame when she established a new mark of 87.2 words per minute in the Open Typewriting event. She was last year's Amateur champion.

Esther Horein and Garnet Schriff were the Senior representatives on the Amateur Typewriting. The third member was Mary Mady. Esther placed third in the State, but a faulty typewriter kept Garnet from scoring. They added three points with a third-team place.

Norma Shrayer and Betty Myers were the two students who were permitted to write in the Beginning Bookkeeping. The third member was Harriet Mow. Norma added two points for Mishawaka by taking second place in the state.

Mildred Albright and Mary Kohli elected Beginning Shorthand and represented M. H. S. in the district meet at LaPorte. The third member, Violet Worthington, is a Junior.

The Seniors were not represented in Advanced Bookkeeping, the team being composed entirely of Juniors. However, because they captured first-team place in the State, we take our hats off to Avanell Rogers, Julia Troiola, and Lissetta Faller.

The Penmanship team was represented at the State by underclassmen and included Vera and Verna Simper, and Jane Morgan.

District honors were awarded Mishawaka for a total of 68 points. Mishawaka has won six of the seven annual contests that have been held in this district.

The Home Economics Club, the purpose of which is to more closely unite the girls and to promote interest in home economics, is an active girls' organization, supervised by the home economics teachers. A council of twelve girls arranges the programs and plans parties for the club.

Some very instructive and enjoyable meetings, planned for the benefit of all high school girls, were presented during the year.

A point system of awards was instituted this year and attractive pins were adopted by the club. Points are awarded for high scholarship, council membership, participation in clothing demonstrations and for articles entered in the clothing exhibit, and are classified as major and minor points, depending upon the degree of difficulty of the accomplishment. After having earned three majors a member is eligible to wear the club pin.

Art Club

OFFICERS

STONE EDWARDS - - - - - President

RUTH CARPENTER - - Secretary-Treasurer

In order that students who are genuinely interested in art may have a broader knowledge and deeper appreciation of the subject than it is possible for them to acquire in the class room, the Art Club was organized three years ago by Miss Kennedy, and with these objectives it still serves the small group of Mishawaka High School artists.

Programs presented at the meetings of the club this year have been varied in nature and all have been interesting. At one meeting Franklin Hopkins, a South Bend artist, gave a fascinating chalk talk. On another occasion Charles Lockridge entertained the members with an account of his trip to New York. A theater party was held on March 15. Miss Humke gave the group several illustrated talks on art and architecture of various countries and the club attended a number of exhibits of the work of Indiana artists which were shown in South Bend.

TOP ROW—Miss Stonecipher, Mr. Broman, William Waidner, Frances Jordan, Darwin Hepler.
BOTTOM ROW—Stanley Niles, Charlotte Ludwig, Hope Myers, Bernetha Williamson, Raymond Cerri, Miss Cravens, Mr. Cauble.

Program and Pep Committees

The assembly program committee is composed of three students appointed by the head sponsor of their respective classes, and three faculty members.

This year a fund of one hundred and fifty dollars was allotted by the Board of Control to the committee to be used for special programs which were presented every other Wednesday.

Through the efforts of this committee many interesting programs were offered. Two illustrated lectures on Europe were given by Dr. Elmer W. Cole. Carveth Wells, a noted engineer and explorer, gave an interesting talk on "The Malay Jungle". A. L. Trester, Secretary of the Indiana High School Athletic Association, talked to the students. A Washington's day address was delivered by Albert L. Doyle, local attorney and Mrs. Floran Kelley gave a reading "Consul Assigned", on Lincoln's birthday. One musical program was presented by Bernice Kuhn and Cecil Alexander, alumni of M. H. S. and another by the glee clubs. Miss Cravens' senior class presented a one act play "The Ghost Story." A Marionette show of unusual charm was one of the last programs to be given.

The pep committee which includes two representatives chosen from each of the three upper classes, arranged a pep meeting before every game during the foot ball and basket ball seasons. These students under the guidance of Mr. Broman planned the meetings, secured speakers, and arranged for "stunts" to be presented.

Talks were given by Raymond DeCook, an alumnus of M. H. S., Mr. Heifner, assistant foot ball coach, Coach Steele, Coach Shake, Phanor Howlet, Warren Curtis, and Russel Arndt.

Stunts were presented by Miss Stearns' freshman English class and Miss Moist and one of her classes.

"It Pays To Advertise"

Directed by Miss Lola Jane Rosenberger

In former years the Commercial Club's annual performance consisted of several independent acts, but this year a three act play "It Pays to Advertise" was presented. It was exceptionally well received and was repeated as a result of popular demand.

The proceeds were used to send contestants to commercial meets.

Cyrus Martin, the soap king, portrayed by Robert Fuson, had one son Rodney, Stone Edwards, who took no interest in business and who was the typical, idle, rich man's son. Mr. Martin and his stenographer, Mary Grayson, Hope Myers, devised a scheme whereby Mary was to make Rodney fall in love with her. She succeeded, in spite of the father's pretended storm against the match; the result being just what they hoped that Rodney would go to work. Rodney went into the soap business, bucking the soap trust of which his father was head. Rodney, Miss Grayson, and Ambrose Peale, Stanley Rosenstein, immediately instituted a campaign of extravagant advertising, all on borrowed money. Their hope was to make Cyrus Martin back their enterprise, which he did just when everything seemed lost for them.

"Penrod"

Directed by Miss Laura Duguid

The class of 1931 established a high standard of high school dramatics on March 6-7 when they successfully presented "Penrod". This was the initial dramatization of a four-act play by sophomores, and it will be remembered as one of the outstanding class productions.

Booth Tarkington's comedy is characteristic of the pranks of young boys, and abounds with humorous incidents. The lead was taken by Stanley Perkins, as Penrod, who capably handled the difficult role of a mischievous youngster. Assisted by William Van Der Voort, as Sam Williams, the two would-be "detekatifs" extracted many smiles and laughs from their audience. Robert Fuson, as Mr. Schofield, displayed all of the characteristics of an impatient father, who was completely at a loss to know what to do with Penrod. Elizabeth Garns, as Mrs. Schofield, portrayed the part of a loving mother and devoted wife unusually well.

The entire cast of characters showed their ability as actors and with the unfailing efforts of Miss Duguid produced one of the best plays ever given in the high school auditorium.

"Billy"

Directed by Lola Jane Rosenberger

The Juniors made their second venture in drama on April 13 and 14 when they successfully presented the rollicking sea-going comedy, "Billy". Through the efforts of Miss Rosenberger the members of the cast capably handled their roles.

The story takes place on the deck of the U. S. S. Florida, enroute to Havana, carrying as one of its prominent passengers, "Billy" Hargrave, a difficult, role interpreted by John Kronewitter. Billy, a young foot ball player, was very unfortunate in having lost four teeth in a ball game. Because of his self-consciousness, Billy is persuaded to take an ocean voyage until he becomes accustomed to his false teeth. He is accompanied by his sister, Alice Hargrave, portrayed exceptionally well by Dolores Leyes, who makes many mirth provoking situations through her efforts to console Billy. The plot develops as Billy attempts to propose to Beatrice Sloan, Harriet Kamm, and is stopped because his teeth are suddenly knocked from his mouth; frantic efforts to find them prove futile. Complications arise due to the villainous lies of Billy's rival, Sam Eustace, Spencer Walton, who reveals Billy's past life. Mrs. Sloan, Garnet Shapiro, misunderstanding the whole situation, attempts to discourage Beatrice so she will refuse Billy. Finally, as a result of the trying situations and faithful searchings of Alice, the teeth are found and all necessary explanations are made.

"Martha"

Directed by Helen Litchfield Kolb

On April 17 and 18 the opera, "Martha", by Von Flotow, was presented by the Glee Club under the careful direction of Miss Helen Kolb.

Lady Harriet and her friend Nancy, weary of court life, masquerade as peasant girls at the Richmond Hiring Fair under the names of Martha and Betsy Ann. They are hired by two young masters, Plunket and Lionel. Knowing nothing of house work, they become weary of their new situation and run away through the aid of Sir Tristan Michelford, cousin of Lady Harriet.

While searching for the girls, Plunket sees Nancy, (his Betsy Ann), hunting with the court ladies and tries to claim her, but she will not recognize him. Lionel is put in prison when he tries to claim Harriet as his servant maid in the presence of her court friends. Through a ring his father left him, he is restored to his rightful position as Earl of Derby. He becomes insane and does not recognize Harriet until she appears in the simple peasant dress of Martha and sings to him. Plunket in the meantime has won Nancy, and when Lady Harriet tells Lionel that she really loves him, his peace of mind is restored, and all is well.

Each of the soloists displayed ability in his part and was aided by a very enthusiastic chorus in beautiful and colorful costumes of the Queen Anne period.

“When’s Your Birthday?”

Directed by Miss Margaret Moist

When’s Your Birthday?, by Aurania Ronoerol, presented by the senior class, concerned a gypsy girl, Leonore, who had run away from the circus and from Ben Ali, the “mesmerizer.” Coming to the home of Malory Dwight, she was hired as a nurse for Malory’s sister, Clary. Here, by her pathetic eagerness to learn to live in a real home, she soon became endeared to everyone. Malory even considers marrying her, since the girl of his choice no longer cares, and since Leonore fears the hypnotist. In the end, however, Malory’s true love returns, and Leonore discovers the real man beneath Ben Ali’s circus-act exterior.

Pansy Kittredge made a most charming Leonore, while Stanley Rosenstein portrayed very successfully the serious minded Malory Dwight. Four decidedly comic characters were Ann Parsons, played by Lucille Philion; Aunt Nabby Nash and Jotham Nash, by Marie Barnhouse and Darwin Hepler; and Timothy Gale, by Milton Walton. Other equally characteristic parts were Nick Jameson, Ben Ali; Clary Dwight, and Lindy Nash, played by Donald Minzy, Robert Elliott, Frances Jordan, and Helen Bradley, respectively.

The senior play was one of which the class may be proud and represented the best of the productions sponsored by the class of 1929. Miss Moist deserves high commendation for the success of the performance.

The Miskodeed

To be a member of the *Miskodeed* staff is to receive one of the highest honors in the field of extra-curricular activities, and a student who has served on the staff has something more than the passing fame that accompanies such positions. He has material evidence of the worthwhile work he has accomplished while in high school.

This year, through the efforts of the advertising department, over fifty percent of the total expences of financing the book were met. The circulation department succeeded in securing six hundred subscriptions for the annual; thus thirty-seven percent of the necessary funds were raised. The remaining twelve percent of the cost was met by the senior class. Plays, candy sales, and dances were held throughout the year as money-making projects for the year book.

Milton Walton, the creative artist for the 1929 *Miskodeed* is deserving of special recognition for his splendid art work.

Editorial

The *Miskodeed* staff is composed of people who have shown an aptitude for doing creative work and is elected annually by the senior class. The majority of the members of the 1929 staff have worked hard and cooperated to the best of their ability. An ideal situation might have been possible had everyone shown the same interest that the greater number of staff members did. Despite the hindrance of our working machine, caused by those persons who failed to do their share of the editing, we hope that we have produced a worthwhile annual, one which will prove interesting to all of its readers and be a treasured possession.

On behalf of the staff I wish to tell all of our subscribers just how much we appreciate the cooperation of Miss Stearns, who was not only an adviser but an enthusiastic co-worker. Too much credit for the success of the annual cannot be given our faculty advisers.

Second Semester

"It's all told in the *Alltold*," is the slogan of the weekly school newspaper, which informs students of the happenings in the high school world.

The "*Alltold*" strives to be a spokesman of the spirit of the school in all its phases; to be accurate; to give an uncolored, accurately stated report of all vital facts so far as it is possible to arrive at them; to get both sides of every question; to be decent and fair; to give adherence to high standards and recognized ideals of motive, heart, and conduct; to acknowledge all mistakes fairly and promptly; to give credit where credit is merited, and say nothing when unfavorable criticism might be made.

Each semester the journalism class, which is under the direction of Miss Heimbach, organizes as a staff and publishes the paper as a class project. Although each member of the class is responsible for one department of the publication, his experience is not limited to that field of activity for all have occasional opportunities to write editorials, features and news articles.

The Latin department paper was published this year by the Virgil class under the supervision of Miss Wyland, and printed on Don Elder's private press.

The four numbers issued during the school year were eagerly purchased by the members of the Latin classes, and the feature articles, editorials, news items, and jokes were a source of much entertainment to them.

The slogan, "Haec Olem Meminisse Uvabit", meaning "It would be pleasing to remember these things sometime", hints at the type of material which the contributors have tried to furnish for the paper ever since it was founded by Miss June Eddingfield in 1922.

The profits of the last seven years have been spent for improvements of the paper, a machine for showing slides, extra window shades, pictures, and a large filing cabinet. In 1928 twenty dollars was contributed to the Florida relief fund.

Copies of the paper are exchanged for Latin publications from high schools in states ranging from Virginia to California. Among the most interesting of these are the "Roanoke Roman" from Roanoke, Virginia, the "Acta Baldwiniana" from Birmingham, Michigan, and one, the "Signnus" from Mt. Gilead, Ohio, which is written entirely in Latin.

The Orchestra

The progress made by the orchestra this year toward a really professional style of playing, in technique, precision, and balance of tone has been conspicuous.

Since coming to Mishawaka three years ago, Miss Kolb has worked without ceasing to create an orchestra with symphonic proportions. This year the ideal has been more nearly approached than before. The instrumentation was as follows: ten first violins, six second violins, two violas, three cellos, one bass viol, two flutes, one oboe, four clarinets, one bass clarinet, three cornets, one French horn and percussion. Mariette Graves, Jeanette Proudfit and Carlyle Lonie have served as pianists during this year.

The orchestra has furnished music for all of the school plays. It has also given several programs before the student body in assemblies.

On April 30 the orchestra played the following numbers in a joint concert with the Choral Club:

- (1) Theme from Piano Sonata in A - Mozart
- (2) The Last Spring - - - - - Grieg
- (3) Egmont Overture - - - - Beethoven

A small string orchestra has furnished music for a number of banquets. The regular members of this orchestra are Donald Hunt, Wilma Hemphill, Helen Robbins, Olga Klein, Elizabeth Stearns, and Miss Kolb.

The Band

STONE EDWARDS - - - - - President

KENNETH McMILLAN - Drum Major and Librarian

The band was organized four years ago under the direction of Mr. D. F. Wood, and through his efficient supervision it has grown and developed into a well-trained organization with a membership of fifty-two. Any high school student whether or not he has had experience in playing the instrument of his choice is eligible to become a member of the band. Every Tuesday evening is set aside for practice and individual instruction.

Members of the band are given an "M" for three years of service and this year a higher honor will be given to the two charter members, Glen Long and Stone Edwards.

The band owns 1 B Bb bass, 2 Eb basses, 2 mellophones, 1 piccolo, 1 xylophone, 1 bass drum, 2 snare drums, 2 baritones, 1 baritone saxophone, 1 cornet, and one set of drum traps, and lends these instruments to students who want to learn to play them.

There are approximately 160 pieces in the band music library including works of the following: Lubomirsky, Bizet, Grieg, Schubert and Rossini.

This year the band presented an exceptionally fine concert, featuring Bradley Kincaid and his hound-dog guitar from WLS.

TOP Row—Garnet Shapiro, Evelyn Akers, Frances Moore, Vera Jewell, Lucille Nehmer, Dorothy Shiebley, Jane Gamble, Lucille Philion, Catherine Mathews, Marian Shemberger.

Girls' Glee Club

The honor of being a member of the Girls' Club is conferred upon the fifty high school girls having superior voices. Miss Kolb makes the selection at the beginning of each semester after a series of try outs have been held.

Due to the efforts of Miss Kolb, the director of the Glee Club, and the cooperation and work of the girls, the club has had a very successful year. It has furnished music for meetings of numerous organizations such as the Woman's Club and parent-teacher associations. An attractive program was presented at the Healthwin sanatorium and another one before the high school assembly.

The most ambitious performance of the Glee Clubs was the presentation of Von Flotow's opera "Martha" on April 17 and 18 in the high school auditorium. The Girls' Glee Club deserves much commendation for its part in this opera, the third one which has been presented by the combined clubs under the direction of Miss Kolb.

Boys' Glee Club

The well-trained group of boys who sing in the high school Glee Club under the direction of Miss Kolb find that requests are constantly being made for programs to be given by them before local organizations. Their extensive repertoire and splendid voices make them an asset to any entertainment.

During the Christmas season the two clubs created quite a reputation for their rendering of a group of carols and sang their selections on several occasions besides reviving that delightful old custom of caroling in the streets.

The combined glee clubs gave their most praiseworthy performance this spring when they presented "Martha", by Von Flotow, in the high school auditorium, to two large and enthusiastic audiences.

TOP Row—Catherine Suders, Helen Bradley, Lucille Philion, Vera Jewell.
BOTTOM Row—Mary Hunter, Mary Miller, Marjorie Baluss.

The Septet and Quartet

The members of the Girls' Septet and Boys' Quartet are chosen from the Girls' and Boys' Glee Clubs by Miss Kolb, the director and accompanist.

Entertainments have been given by these two groups in response to requests from nearly twenty local organizations, including the Mishawaka Woman's Club, Parent-Teacher Associations and the Tivoli Theater.

"To a Wild Rose", "Mighty Lak' a Rose" and "In the Garden of Tomorrow" are favorites of the girls, while the boys find that "Southern Memories", "The Volga Boatmen", "The Soldier's Farewell", and "Vive L'Amour" are among their most popular selections.

Last fall the quartet sang in the state contest at Indianapolis.

SOPHOMORE PARTY

The Sophomore class entertained the school with the first party of the year on November 2. It was a combination of a masquerade, a square dance, popular dances, old-fashioned games and a rollicking good time. Cider and doughnuts were served as refreshments.

The members of the committees were: entertainment, Robert Fuson, Mary Miller, Charlotte Ludwig, Charles Walters, Marjorie Baluss; refreshments, Helen Yeomans, Jane Kral, Donald Dodi; tickets, William Waidner, Mary Winey, Phil Hess.

MATINEE DANCES

The *Miskodeed* staff entertained the entire school at a number of matinee dances given during the fall semester. Approximately fifty couples responded each week to the jazz melodies furnished by "Tommy" Kerr and "Bob" Sullivan. Proceeds were used to aid in the publication of the *Miskodeed*.

HOME ECONOMICS CLUB PARTIES

A Hallowe'en party the first semester and an initiation party on March 18 were enjoyed by the girls of the Home Economics Club this year. Several informal get-together parties were held after school during the term. The club tries to sponsor and encourage friendliness among the girls, and by the social affairs it gives does a great deal to promote this spirit.

G. A. L. POTLUCK SUPPER

As a courtesy to Miss Fink, sponsor for the Girls' Athletic League, the club gave a potluck supper in the foods room on January 23. Miss Fink resigned her position as supervisor of physical education at the end of the first semester and was married on January 26. The girls presented her with a beautiful luncheon set in appreciation of her services in Mishawaka and wished her much happiness for the future.

Miss Thorelius, instructor in physical education at Beiger School, was the speaker of the evening, and several of the girls gave short farewell addresses.

FOOTBALL BANQUETS

On Wednesday, November 10, 1928, the first twenty-five men were entertained at a banquet given by the Mothers' Club, at the home of "Chuck" Conway. Each boy gave an impromptu talk, and the mothers were also asked to say a few words. "Pete" O'Brettinoff gave a talk about his early life in Bulgaria. The team enjoyed the dinner and appreciated the kindness of the Mothers' Club.

The Board of Control entertained the letter and monogram men at a banquet at the Mishawaka Hotel. Mr. L. C. Dahl acted as toastmaster and Rev. J. C. Burnett was the speaker of the evening. Roy Horstmann, captain, also gave a talk.

HI-Y FUNCTIONS

Several social functions were sponsored by the Hi-Y organization during the school year, the chief of these being the Mishawaka-South Bend football banquet given last fall shortly after the inter-city football contest. Knute K. Rockne, famed Notre Dame football coach, was the speaker on this occasion. Besides the members of both squads, prominent men of both cities were present.

Evening meetings were held bi-monthly at which the boys contributed to round-table discussions of various topics. Induction ceremonies, at which new members were brought into the club, also took place at night. John W. Gates, leader of religious education in Rigidale Church, South Bend, addressed the members at one meeting as did P. C. Emmons, city superintendent of schools. Such topics as *Religion*, *The Volstead Act*, *Use of Spare Time*, *Success*, and *Prohibition* were discussed by the club.

The crowning social event of the year was the Father-Mother-Member banquet given in the last month of school. Installation of officers for next year took place at this banquet.

JUNIOR-SENIOR PROM

As their final tribute to the graduating class the juniors very cordially entertained the seniors with a formal dinner-dance on June 1. The bare walls and high beamed ceilings of the cafeteria and gymnasium were beautifully transformed into alluring halls of color and charm.

Following an excellent after-dinner program everyone adjourned to the gymnasium. Stanley Niles, the Junior Class president, led the grand march which immediately preceded the dance.

Colorful decorations, corsages, evening gowns of delicate tints, and the lively strains of the orchestra all lent a true prom atmosphere to the occasion.

1928 - 1929

When school began last September, everyone came back full of enthusiasm and pep ready to start the new year right. Beginning with football the year's athletic activities included basket ball, track, tennis, and other spring sports.

However football seemed to instill interest in things other than athletics, as dramatics very soon came forward with the Sophomores taking the lead by presenting a very excellent comedy, "Penrod", followed closely by "Billy", the junior's production. Then came the opera, "Martha", and last of all as a grand finale the seniors presented "When's Your Birthday?"

This year has also been an exceptional one in other respects. Scholastic efforts have been rewarded by the institution of Quill and Scroll, an honorary journalistic society, and the National Honor Society. Then, too, the commercial department brought fame to M. H. S. when for the second time its teams won the Governor's Cup, the highest award given at the State meet.

As a stimulant at various times we have had some very interesting assemblies, such as speeches, talks, stunts, and entertainments.

To conclude this year, our best, the seniors had a grand Senior Week completely filled with fun and good times, except for a slight tinge of regret at leaving M. H. S.

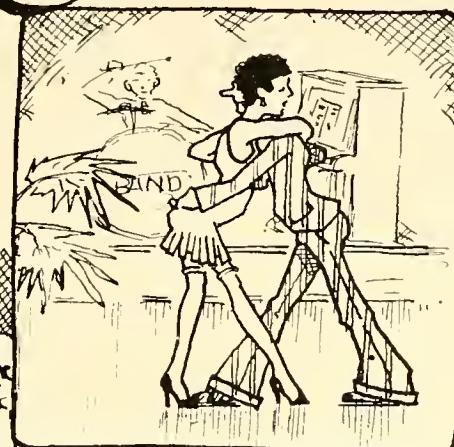

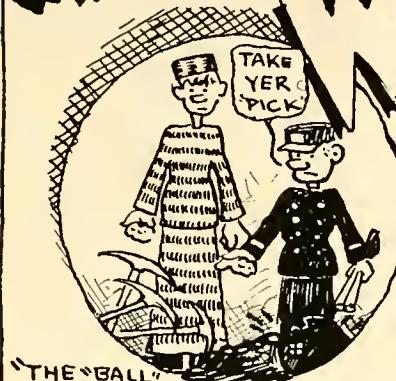

HUMOR AND SNAPS

The Alphabet in Rhyme

A 's for the Albrights, our fair senior sisters,
B is for Blanche and her cute little grins.
C is for Carol, the tall and the handsome.
D is for Dorothy and Doris, the twins.
E 's for the Lizzies, Dentino and Myers.
F is for Florence as dear as she's small.
G is for Garnet, another cute senior.
H is for Herbert, well known to us all.
I is for Irene, so neat and impressive.
J is for James of the funny mustache.
K 's for the Katies. We get them in triplets.
L is for Landers who "cuts such a dash."
M is for Muggs since he's such a good student.
N 's for the Nehmer girls, Ruth and Lucille.
O is for Orval so grand on the gridiron.
P is for Pete whom we like a great deal.
Q is for Quiggle who's gone, not forgotten.
R is the Captain, I think his name's Roy.
S is for Stone who's the "Easy Mark's" hero.
T is for Tuffy, a nice little boy.
U is for Ullery! She's always with Helen.
W's for William whose last name is Biron.
X is a mystery we can't solve, can you?
Y is for Young, with the twins as a rule.
Z 's for the Zellmers, some brothers in school.

“Let’s Whisper”

Did you know that Alma Enyeart wears a wig?
Did you know that Hazel Beebe is *really* a blonde?
Did you know that Wendell Weesner is engaged?
Did you know that Evadene Renner wears number 7 shoes?
Have you heard that Evelyn Hixon had a quarrel with Miss Talbott?
Have you heard that Mabel Caskey completely wrecked their Cadillac?
Have you heard that Catherine Suders is planning to be a gym teacher?
Do you really believe that Elizabeth Myers has false teeth?
Do you really believe that Frank Bauer likes Algebra?
Do you really believe that Walter Eberhart banked fifty cents one day?
D’yuh s’pose it’s true that Leona Tollens has five wrist watches?
D’yuh s’pose it’s true that Ben Singer collects dear little butterflies?
D’yuh s’pose it’s true that Elaine Moore ate seven hot dogs at the “five and ten”?
D’yuh s’pose it’s true that Raymond Ferretti is going to be an actor?
We think it is terrible of Jack Klaer to take up aesthetic dancing!
We think it is awful of Helen Rowe to take her brother’s new red balloon!
We think it is a disgrace for Olga Klein to sneeze out loud in study hall!
We think it is shocking of Ronald Kronewitter to suck lemons at a band concert!
We know for a fact that Don Minzey likes “Pat and Mike” stories!
We also believe that Bob Elliott can wiggle his ears!
Furthermore, we are perfectly certain that Paul Sawyers is a detective in disguise!
And we have a firm conviction that Howard Long ate brown bread crusts to obtain his
good voice!

Now, if you hear of anybody doing anything that
isn’t proper, please let us know.

The Main Division Pages of the 1929 Miskodeed

This volume is made up of five distinct sections. Each is preceded by a main division page on which is a pen drawing, of a famous living person, used to symbolize that particular division of the book.

On the first main division page, "The School", is a drawing of Thomas A. Edison. The picture of this great inventor was used because of what he has accomplished in the field of science and research. A drawing of "Doc" Meanwell may be found on the "Athletics" main division page, which comes second. Meanwell is head basket ball coach at the University of Wisconsin and is the most famous coach of the sport in the country. President Hoover is certainly one of the outstanding organizers in the world today. A drawing of him has been used on the "Organizations" main division page. On the "Activities" main division appears a sketch of Ethel Barrymore, one of the greatest living actresses. "Features", the last section of the book, is introduced by a drawing of Colonel Charles A. Lindbergh. This hero's daring flight across the Atlantic is one of the most remarkable features of the world's history.

What's Right With Our Printer and How He Holds Our Business

By M. F. RIGBY

Advertising Manager, The Studebaker Corporation of America

Our annual purchases of advertising printing alone involve well over a half million dollars, and this printing is distributed among a dozen printers, four of whom handle the major portion of the work we place.

* I know of one thriving plant from which we buy considerable printed material and which in the past five or six years has grown from a small back-alley outfit to a modern, pretentious plant. Our experience with this firm began when it started in business. Nights, Sundays, and holidays were no barrier to this company's completion of a job that was needed promptly. It could always be counted on and it can today, which accounts for the fact that we will probably give this concern well over a hundred thousand dollars in business during the current year.

*By kind permission of Mr. M. F. Rigby, we are privileged to state that the Service Printing Company, Inc., of South Bend, Ind., is the concern referred to in the above extract from an article which appeared in the Inland Printer, August 1928.

Personal Attention and Interest in each job whether large or small is the secret of our success. We invite all to inspect our facilities.

"Therefore, when we build, let us think that we build forever. Let it not be for present delight, nor for present use alone; let it be such work as our descendants will thank us for, and let us think, as we lay stone on stone, that a time is to come when those stones will be held sacred because our hands have touched them, and that men will say as they look upon the labor and wrought substance of them, 'See! this our fathers did for us'."

FIGHT FOR M. H. S., YES! *and* FIGHT FOR YOUR CITY!

There are many reasons why wage earners should, whenever feasible, trade in Mishawaka. Loyalty to Country, City and home should be inborn.

This loyalty must be taught in the schools that are supported by tax payers money. The example of home town loyalty should be displayed by the School Board, by every school organization and by the teachers, because they receive a wage from Mishawaka.

Loyalty and co-operation are corner stones in the development of character as well as the building of a City or a Nation.

Mishawaka Enterprise

Did you hear Bob Elliot was going to be married as soon as he is graduated?

No, but I did know he was broke.

* *

She, (learning to play bridge): Now if you were in the same circumstances how would you have played that hand?

He (Discustedly): Under an assumed name.

The ice man is in love with me.
How do you know that?
I can see the love light in his ice.

Pounds or Tons

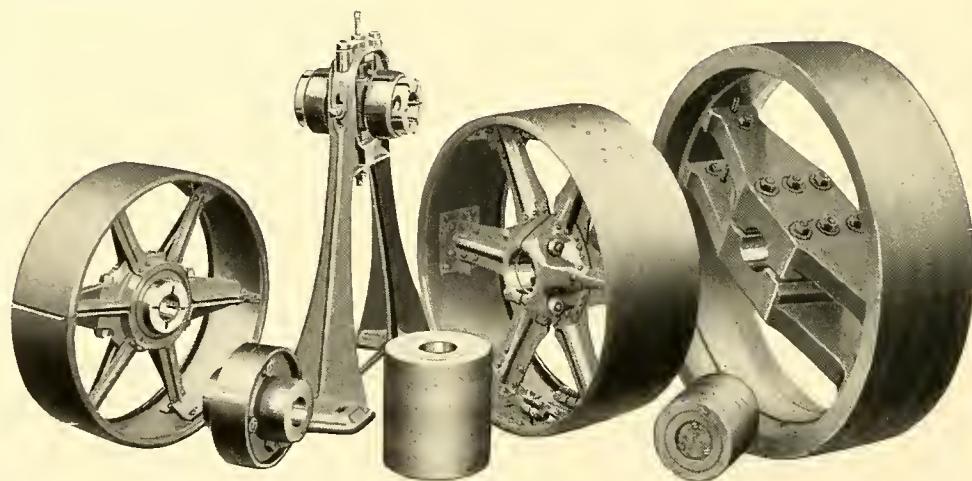

A Yates Rip Saw equipped with Dodge Timken Unit Bearings.

A group of pulleys, couplings and hangers,—a few of the units that make up the most complete line of power transmitting appliances in the world.

Whether Industry has needed a motor pulley scarcely larger than a watch, or a giant special built-to-order machine weighing upward to 100-tons, Dodge has designed and built it.

Miles of conveyor rolls, hundreds of massive special built-to-order machines, thousands of Dodge-Timken bearings for machine application, innumerable power transmitting appliances—all these go to make up the year's work in the Dodge shops.

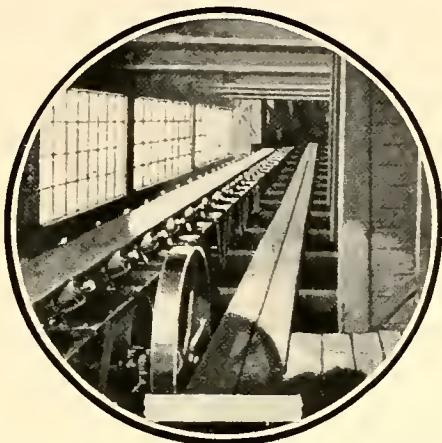

The World's Market Place

Dodge can Make it

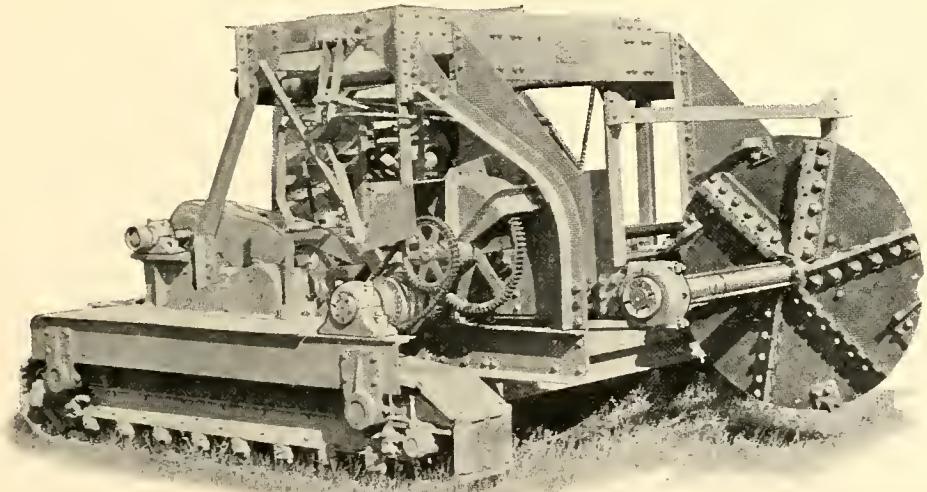

Wherever power is used, equipment built by Dodge is on the job helping to make the commodities of every-day life faster, cheaper and better.

The close contact with the mechanical problems of all Industry has made it possible for Dodge to serve Industry intelligently in the past and what is even more important, will enable us to render even greater service in the years to come.

An installation of Dodge Material Handling Equipment.

Stump Cutting and clearing machine built by Dodge. This machine is used for removing stumps from cut-over timberland.
